Minor Requirements:

Students majoring in Economics must have a minor field of concentration. A minor field of concentration ranges from a minimum of 18 hours to a maximum of 21 credit hours. Minors are offered in many disciplines including Business Administration. Consult the University Catalog for the availability and specific requirements of minors.

Elective Requirements:

Students majoring in Economics must have earned a total of 125 semester hours in order to graduate.

Notes:

- * Indicates courses that must be completed within the first four major terms (Fall and Spring).
- Students who do not place into Math 209 must take the prerequisite sequence.
- In cases of conflict between this checklist and the catalog, the catalog takes precedence.
