Elective Requirements 12-15 (to reach a total of 125 semester hours for graduation):

Notes:

- Students who do not place into Math 111 must take the prerequisite sequence.
- In cases of conflict between this checklist and the catalog, the catalog takes precedence.

Upon successful completion of 45 hours of course work (exclusive of FSP courses), the “shaded” courses above, and a 2.0 GPA, a student is eligible for admission to the School of Business. The student **should** apply for acceptance to the Business School at that time in order to take 300 and 400 level courses.
