

School of Education Wants to Hear from “Honored Educators”

Dr. Linda Karges-Bone

The School of Education will begin a new feature on its website in 2006, a focus on graduates of the program who have achieved scholarly distinction. We would like to hear from alumni who have 1) Become National Board Certified or 2) Been named as a *Teacher of the Year* any time since their program completion or 3) Served as an Administrator at the school, district, or state level, 4) Additionally, we would like to know if you have earned a significant distinction from a professional or community organization, such as being named as the “Reading Teacher of the Year” by the IRA. Please complete the following form and send it to Dr. Linda Karges-Bone (lbone@csuniv.edu). Please attach a **digital photo**. Periodically, we will feature a “Sketch” of one of our honorees and will interview you and post the photograph. The purpose of our “Honored Educators” site is to enhance the visibility of the competent, caring, committed teachers who complete our NCATE accredited programs at both the graduate and undergraduate levels. We are incredibly proud of you and want to share your good news with CSU friends and family. Please share this information with alumni who may not read *CSU Magazine* and encourage them to network with peers and help us to create an active, up-do-date site.
