## Dependent Student

One (or both) of the student’s parents listed in this worksheet paid child support in 2012. The parent must indicate below the name of the person who paid the child support, the name of the person to whom the child support was paid, the names of the children for whom child support was paid, and the total annual amount of child support that was paid in 2012 for each child. Parents may be asked to provide documentation of the payment of child support by CSU if needed. This may include a copy of the separation agreement or divorce decree that shows the amount of child support to be provided, a statement from the person receiving the child support showing the amount provided, or copies of the child support checks or money order receipts. *If you need more space, attach a separate page that includes the student’s name and Social Security Number at the top.*
