CAMPUS SECURITY DEPARTMENT

The Charleston Southern University Campus Security Department exists to serve the campus community. Our mission is to ensure a safe and secure environment for all who enter our campus: students, faculty, staffs, and guests. Our goal is for the members of our university to be able to learn, lead and serve in as stress free, safe and secure environment.

The Campus Security Department is the recognized law enforcement agency responsible for the Charleston Southern University campus and is charged with protecting life and property. The department is charged with the enforcement of applicable federal, state, and local laws as well as all University policies and regulations. All criminal offenses occurring on campus or at a University event should be reported to Campus Security.

The Campus Security gains its authority from the South Carolina State Law Enforcement Division, licensed as a Business of Proprietary Security. The Campus Security Department is comprised of University employees and contract security officers. All personnel are South Carolina State Certified Security Officers pursuant to the South Carolina Code of Laws, Title 40, and Chapter 18.

The campus is patrolled by officers who are on foot, in vehicles, and golf carts. The high visibility and mobility of these are an integral part of our campus community policing efforts. These methods enhance the opportunity for officers to provide a more interactive approach to the community support and service.

A Memorandum of Understanding (MOU) is in effect between the University and the North Charleston Police Department (NCPD). They are the primary law enforcement support, responding to calls for service, assisting with any serious crimes and incidents, traffic enforcement, K-9, illegal narcotics education programs and supplementing manpower for our special events.

The Campus Security Department strives to serve the campus community and welcomes all visitors at any time. The office is located on the first floor of Russell West, 843-863-7105.

Incidents Occurring Off Campus

Students who wish to report an incident off campus (e.g. North Charleston, Summerville, Goose Creek, Charleston, Mount Pleasant, Folly Beach, Isle of Palms, James Island, etc.) should contact the appropriate law enforcement jurisdiction for that particular area. SAFETY INFORMATION AND SERVICES

Employee/Student Orientations

During new student and employee orientations and at various times and events throughout the year, students and employees are informed of services offered by individual departments across the University. These presentations serve a variety of needs and constituencies and provide information on subjects that outline ways to maintain personal safety, security of personal belongings, and other campus safety measures. The common theme amongst all crime prevention and safety awareness programming is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Campus Safety Escort Program

We encourage all members of the campus community to use common sense and practice good personal safety techniques at all times. Students and employees alike are encouraged to walk in pairs or groups especially during the hours of darkness. However, when this is not possible, please use the campus escort service which is available 24-hours a day, 7-days a week. This on-campus service is intended for those who need a security escort to/from class, residence halls, facilities or parking lots. To access the program call 843-553-5896 (or 2020 from a campus phone) and provide the following information to the call taker:

- Your name
- Phone Number
- Current location,
- Where you wish to go and
- A physical description of yourself.

(Please remain in your car or wait in the building lobby until a Campus Security representative arrives.)

This program, staffed by our on-duty officers, serves as community of overs 3,000. Calls for escort service are dispatched immediately. However, a delay on response time may be due to a high volume use of the program. If this occurs please be patient and place your call again.

Emergency Call Boxes (Blue Lights)

Security on campus has been enhanced through the installation of emergency call boxes. To date there are 27 emergency call boxes in various locations to provide immediate interaction and assistance. Additionally there are 54 courtesy phones throughout the residence halls to contact Campus Security.

Evacuation Procedures

Our emergency information page provides information relevant to fires, building evacuation procedures, suspicious packages, and bomb threats. Emergency evacuation drills of residence halls are conducted throughout the year. To view this page, go to:

<http://www.csuniv.edu/security/emergencyprocedures.php>

Timely Warnings/ Community Notification

When a crime or a situation occur which, in the judgement of the Director of Security in conjunction with at least one senior officer, poses a continuing threat to members of the campus community, a Community Notification will be issued. The notification will be sent to the campus community through email. When determined appropriate, as soon as possible under the circumstances, flyers will be posted within selected areas on campus.

The notification will provide as much information as can be obtained from appropriate sources without jeopardizing on ongoing investigation or identifying a victim. Information in the notification will include a clearly stated warning, the location, time and date of the incident, and a description of the subject(s). A brief overview of the circumstances as well as contact numbers for the appropriate law enforcement jurisdiction and Campus Security will also be listed.

Anyone with information warranting a notification should report the circumstances to the Department of Campus Security by phone (843-553-5896 or 2020) or in person at Security Office, first floor Russell West.

Immediate Notification, BUC Alert Emergency System

BUC alert is an emergency communication system that sends notification to the entire campus community (students, faculty and staff) before, during, and after an emergency. With this system, the University is able to communicate in many modes, including voice messages to home, work, and cell phones; text messages to cell phones, PDAs and other devices, typed messages to email accounts and posts to facebook and twitter. In combination with our existing communications methods and emergency response plans, this notification system significantly enhances the University's ability to maintain a learning environment in which students are safe secure and informed.

At the order of the President of the University, Senior Officers, or the Director of Campus Security, a BUC alert will be initiated without unnecessary delay. BUC alerts will be issued without compromising efforts to assist victims or contain, respond to, or mitigate the emergency. Once the determination of an emergency on campus is made by Campus Security representatives, the appropriate message will be sent on the BUC Alert system (via text, phones, email, social media or using the Whelen siren campus speaker system).

Alerts are used only in the case of a campus emergency that include, but are not limited to:

- Bomb threats of other imminent threats of violence
- Fires, hazardous spills, or gas leaks affecting the entire campus
- Building evacuations and lockdown affecting the entire campus
- Biological or pandemic emergency notification
- Natural disasters
- Power outages or utility failures resulting in an imminent threat
- Campus closure due to weather or declared civil emergency

The BUC Alert System is tested each month.

Access to Campus Facilities

Most campus buildings and facilities are accessible during normal business hours, excluding holidays. Athletic facilities, computers labs, the Library, and other select University service areas have varying hours of operation. Organizations may obtain access by completing an event form for after-hours scheduling. For after-hours access to certain facilities students will need to have the appropriate authority email a list of names to the Director or Deputy Director of Campus Security authorizing entry. A valid student ID card must be presented to the security personnel to be admitted.

Maintenance of Campus Facilities

When any defective lighting or unsafe condition on campus is noted, Campus Security officers will generate a work order to the Physical Plant. Students, faculty and staff are encouraged to report any safety or security concerns directly to the Campus Security Department. Safety concerns may also be submitted to the Director or Deputy Director of Campus Security or to the University Safety Committee.

SEXUAL ASSAULT

Policy on Sexual Assault for Students Charleston Southern University

I. POLICY STATEMENT:

Charleston Southern University ("the University") is committed to maintaining a Christian environment for work, study, and social activities. To that end, and in accordance with federal and state law the University prohibits any member of the faculty, staff, administration, student body, or visitors to campus, whether they be guests, patrons, independent contractors, or clients, regardless of the sex of the other party, from sexually harassing any other member of the University community. Reports of sexual harassment will be met with appropriate disciplinary action, up to and including dismissal from the University.

We want to encourage members of the University community and guests or visitors who believe they have been victims of, observe, or hear about sexual harassment and/or assault, or relationship violence to report these incidents to the local authorities (North Charleston Police 843-308-4718 or local area) and Campus Security (843-553-5896). Campus Security and reporting officials can assist victims in referrals to the local police and advise them of the University's internal judicial procedures. The local authorities can help victims investigate and prosecute; they can also direct victims to other appropriate resources. Reports of harassment will be investigated and if confirmed the individual(s) responsible will receive the appropriate disciplinary action, up to and including dismissal from the University.

DEFINITIONS

1. Sexual misconduct is defined as activity of a sexual nature which results in the nonconsensual exploitation of one person by another for the purpose of gain or other advantage. The sexual behavior which results in such exploitation may have been consensual or nonconsensual in its original nature. Someone who is unconscious or incapacitated (this includes being under the influence of alcohol or drugs) is incapable of giving consent.
2. Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, "sexual harassment" is defined as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment or status in a course, program or activity ;submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual; or such conduct has the purpose or effect of interfering with the individual's work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one's ability to participate in or benefit from an educational program or activity.
3. Sexual assault involves any physical contact of a sexual nature that is against one's will or without one's consent resulting from the use of force, correction, intimidation, or threats.

EXAMPLES OF SEXUAL HARASSMENT

Examples of sexual harassment may include, but are not limited to the following:

1. Physical Assault.
2. Direct or implied threats that submission to sexual advances will be a condition of employment, work status, compensation, promotion, grades, or letters of recommendation.
3. Sexual advances, physical or implied, or direct propositions of a sexual nature. This activity may include inappropriate/unnecessary touching or rubbing against another,

sexually suggestive or degrading jokes or comments, remarks of a sexual nature about one's clothing and/or body, preferential treatment in exchange for sexual activity, and the inappropriate display of sexually explicit pictures, text, printed materials, or objects that do not serve an academic purpose.

4. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliate another.
5. Remarks speculating about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history that do not serve a medical or academic purpose.
6. Rape

OTHER VIOLATIONS OF THE SEXUAL HARASSMENT POLICY

Other violations of this policy may include, but are not limited to the following:

1. Retaliation against a person who has made a report or filed a complaint alleging sexual harassment, or participated as a witness in a sexual harassment investigation.
2. Disregarding, failing to investigate adequately, or delaying investigation of allegations of sexual harassment, when responsibility for reporting and/or investigating sexual harassment charges comprises part of one's supervisory duties.

CONSENSUAL RELATIONSHIPS

Full-time and part time faculty and non-faculty members are encouraged to foster congenial, professional relationships with the students. Such relationships serve to promote the educational processes and mission of the university. The university honors the right of faculty and staff to have non-romantic, personal relationships with the students which are mutually desired.

However, faculty and staff members are advised against participating in consensual romantic or intimate relationships with persons they evaluate, grade or supervise. Such relationships suggest an abuse of power because of the difference in status between the student or subordinate and the faculty or staff member. The burden of responsibility for protecting the integrity of the professional relationships between faculty and staff members and those persons they evaluate, grade or supervise should be the faculty and staff members. Failure to exercise professional judgement in avoiding such relationships to the detriment of student/teacher or student/staff relationships may result in disciplinary action ranging from formal reprimand to termination depending on the gravity and nature of the incident.

RESPONSIBILITY OF STUDENTS

All students should report any sexual harassment that they experience, observe, hear about, or believe may be occurring, to the Title IX Coordinator or other reporting officials. No student

should assume that an official of Charleston Southern University knows about your situation. Students should report all incidents of sexual harassment.

VIOLATIONS OF THE SEXUAL HARASSMENT POLICY

The University will not tolerate sexual harassment of its students and will investigate all allegations of sexual harassment. Where sexual harassment is found, steps will be taken to end it immediately. In those instances where it is determined that an individual has sexually harassed another, that individual will be subject to appropriate discipline. The level of discipline will depend on the severity of the harassment. If the investigation reveals a pattern of harassing behavior, or the conduct is aggravated, probation, suspension or expulsion may be appropriate.

To make deliberate false accusations of sexual harassment violates this policy. In such instances, the complainant will be subject to disciplinary action. However, failure to prove a claim of sexual harassment does not constitute proof of a false and/or malicious accusation.

PROHIBITION AGAINST RETALIATION

Students who, in good faith, report what they believe to be sexual harassment, or who cooperate in any investigation, will not be subjected to retaliation. Any student who believes he/she has been the victim of retaliation for reporting sexual harassment or cooperating in an investigation should immediately contact the Title IX Coordinator

II. PROCESSING OF SEXUAL HARASSMENT REPORTS AND COMPLAINTS

Reports and Complaints

All reports and complaints of sexual harassment will be promptly investigated and appropriate action will be taken as expeditiously as possible. Complaints and reports of sexual harassment should be reported as soon as possible after the incident(s) in order to be most effectively investigated. The University will make reasonable efforts to protect the rights of both the complainant and the respondent.

The University will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses in a manner consistent with the University's legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations required by law. The University encourages any person who feels he or she has been sexually harassed to report the incident to the Title IX Coordinator or to Campus Security. Additionally, anyone who desires to make a report anonymously can do so by clicking the "Silent Witness" link on the MyCSU webpage at:
https://persimmon.csuniv.edu/stuacct/sw_main_V2.asp

Investigation and Resolution

The University's complaint process, outlined herein, is the procedure to be used to end inappropriate behavior; investigate for the purpose of fact finding; and facilitate resolution of complaints involving allegations of sexual harassment. However, as part of the complaint process, the Title IX Coordinator may recommend that the complainant and respondent attempt to resolve their differences through mediation. The University reserves the right to investigate and resolve a complaint or report of sexual harassment regardless of whether the complainant pursues the complaint. These procedures do not replace the right of complainants to pursue other options or remedies available under the law. The victim(s) of sexual harassment will be informed as to the outcome of any campus based investigation.

Informal Process

The following procedures for informal resolution are optional. The Title IX Coordinator shall determine whether and/or how to proceed. The goal of informal resolution is to stop inappropriate behavior, investigate, and facilitate resolutions, if possible. If a complainant is able and feels safe, he or she should clearly explain to the alleged offender that the behavior is objectionable and request that it cease. The complainant should do so as soon as possible after the incident occurs. The complainant may utilize the assistance of the Title IX Coordinator or his / her designee. Communication with the alleged offender may be in person, on the telephone, or in writing. If the behavior does not stop, or if the complainant believes some adverse educational consequences may result from the discussion, he or she should go to the Title IX Coordinator.

Formal Process

If a complaint is not resolved through the informal complaint procedures or if the Title IX Coordinator determines that the complaint should be pursued through formal complaint procedures, the formal procedures must be used. The Title IX Coordinator will initiate an investigation into the facts of the matter. During the investigation, the Title IX Coordinator, or his / her designee will keep private the information gathered during the investigation.

DISSEMINATION OF PROCEDURE

Information regarding this policy should be provided to each student during student orientation. In addition, the policy should be posted on the University's bulletin boards, website, and available upon request from the Title IX Coordinator, Dean of Students, Assistant Dean of Students, and Director of Housing and Security.

EDUCATION

A minimum of one program per academic year will be presented on relational issues. The presentation will be facilitated by a trained professional in the area of relationship counseling.

The Charleston Southern University Housing staff is trained to be sensitive to issues involving students and sexual harassment. The CSU faculty receives training in this area annually during its fall orientation. [The Sexual Harassment, Title IX, Campus SaVe Act & VAWA brochure](#) is given to all new students and is placed throughout the campus and is linked in the Student Handbook.

VICTIM ADVOCACY AND ASSISTANCE

Any student who is a victim of sexual harassment can request assistance from the Dean of Students. "Closed counseling support groups," of no more than 10, will be formed to assist and help harassment victims to adjust. Additionally, one-to-one sessions with a licensed counselor can be scheduled as well as referrals to professional counselors in the community.

SEX OFFENDER RESGISTRY

In accordance with South Carolina law the South Carolina Law Enforcement Division (SLED) maintains the state-wide sex offender registry. This registry allows for a search of Sex offenders by name, city, county, or zip code, and, under College Report, provides information on any known sex offender registered as a student attending a college within South Carolina. To access the sex offender registry or to find out more information pertaining to the registry, to www.sled.gov or visit the Campus Security Department on the first floor of Russell West. <http://services.sled.sc.gov/sor/Report.aspx> offers online reports for colleges with the state of South Carolina. Under South Carolina law, students who are on the sex offender registry cannot reside in our residence halls.

MISSING STUDENT PROCEDURE

The term "missing student," for the purposes of this plan, shall refer to any Charleston Southern University student, who resides in a facility owned or operated by Charleston Southern University, who has not been seen by friends, or associates, for a reasonable length of time, whose whereabouts has been questioned and brought to the attention of a member of the Residence Life & Housing Staff, including resident assistants. The College will initiate the following procedure once advised that a student is missing, with no reasonable explanation for his/her absence. Ordinarily, the procedure will be initiated after at least a 24-hour period will have elapsed after a normal or scheduled event for which the student's presence has been expected. However, the College may waive the 24-hour period if circumstances warrant.

When registering at the start of each semester, student will be asked to identify a **Missing Person Contact person**, whom the College shall notify if the student is determined missing. This contact information will be confidential and will be accessible **only** to authorized campus officials. In addition, the contact information shall not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation.

Procedure

1. All reports of missing, or suspected missing residents students, are to be made to a member of the professional Residence Life & Housing staff and Campus Security (Director, RLCs & RAs)
2. The Residence Life Staff member will immediately notify the Director of Security, or his/her designee, of the report. Together, the representatives from Residential Life & Housing and Public Safety shall investigate by, among other things: (i) making inquiries of roommates/suitemates, residents living on the same floor and any other known associates of the suspected missing resident; (ii) accessing and reviewing the student's academic schedule and ascertaining whether the student is attending classes; and (iii) attempting to ascertain whether the student has used his/her meal card or other College services.
3. If these efforts meet with negative results, the College will promptly (but no later than 24 hours after the initial report) contact the missing student's Designated Contact. In addition, if the missing student is under 18 years of age and not emancipated, the student's custodial parent or guardian shall also be contacted at this time. The Designated Contact and/or parent/guardian will be apprised of the situation and asked whether they have any knowledge of the missing student's whereabouts.
4. If these efforts meet with negative results, the Director of Campus Security, or his/her designee, will promptly (but no later than 24 hours after the initial report) contact the North Charleston Police Department who will initiate an investigation and search based on their departmental policy and procedures. North Charleston Police Department will be contacted regardless of whether the missing student has named a Designated Contact.

Note to Commuter Students: In order to avoid jurisdictional conflicts when a commuter student is believed to be missing, the reporting person should immediately notify local law enforcement authorities. The Campus Security Department will assist outside agencies with these investigations as requested.

DRUG AND ALCOHOL POLICY

Charleston Southern University has a zero tolerance policy for the use, possession and /or distribution of illegal drugs on or off campus. When a violation of the CSU drug policy occurs (see Disciplinary Offenses) CSU officials will charge individuals involved with a campus violation and may notify the North Charleston Police Department. If found responsible by a CSU hearing panel or official, regardless of the actions taken by civil authorities, the individual will be immediately suspended from the University. A student suspected of illegal drug use may be requested to provide a urine and/or hair sample for drug analysis testing. Refusal to supply a urine and/or hair sample will be considered a positive result for drugs. If a student attempts to adulterate, substitute or manipulate his/her specimen during the collection process, it will be treated in the same fashion as a positive drug test. Students knowingly in the presence of any illegal drugs may be suspended or receive a lesser penalty based upon individual circumstances. Students who violate the drug policy and are removed from the University will be given AWs (Administrative Withdrawal) on all grades for the semester.

Safe Harbor

Safe Harbor is a program that permits students to refer themselves for help and treatment for the use of alcohol, illegal drugs, or legal drugs being abused or used illegally. If the student comes forward of his or her own free will, help is available and the student will not be subject to disciplinary sanctions provided **ALL** provisions of the Safe Harbor are strictly adhered to.

To enter into safe harbor, students should contact the Dean of Students. At that point, the student will enter into an agreement and sign a consent form outlining the guidelines and provisions of the Safe Harbor Program. The student is considered to be in safe harbor at that point and all provisions of the program are applicable from that point on. A drug screening will be scheduled and administered through the Dean of Students Office as soon as possible in order to establish a baseline for future drug testing.

Entry into the Safe Harbor Program affords students the opportunity to receive professional counseling, educational programming, and provides accountability. An individual treatment plan will be developed between the student and the University's Counseling Center. The duration of the program will be determined by the University's Counseling Center.

Students are advised that they may be subject to random drug testing while in the Safe Harbor Program. A positive drug test during safe harbor will result in applicable disciplinary sanctions being imposed. Students may **NOT** enter into the Safe Harbor Program after being notified of his or her participation in an impending drug test or after being charged with a drug or alcohol related disciplinary offense. Students are still encouraged to seek free and confidential treatment and/or referrals from the Office of Counseling Services at any time.

(Note: Students are required to pay for drug testing while participating in the Safe Harbor Program.)

The Community Crime Map on this page has adjustable search parameters to identify a radius around the University (i.e., two miles), dates and types of crimes, reporting agencies and an analytics tab.

Explanation of Reported Crimes

Unfounded Crimes - Occasionally, an agency will receive a complaint that is determined through investigation to be false or baseless. In other words, no crime occurred. If the investigation shows that no offense occurred nor was attempted, Uniform Crime Reporting Program procedures dictate that the reported offense must be unfounded.

Criminal Homicide

- **Murder and Non-negligent Manslaughter** - The willful (non-negligent) killing of one human being by another.
- **Negligent Manslaughter** - The killing of another person through gross negligence.

Rape, forcible and non-forcible sex offenses - Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This definition includes any gender of victim or perpetrator. Sexual penetration means the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person. This definition also includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consent.

Robbery - "The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear." (Force, or the threat of force, must be present even though a weapon is not involved.)

Aggravated Assault - "An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm." Injury does not need to result if a weapon is used (threat of bodily injury with a weapon of some sort is considered aggravated assault).

Burglary - "The unlawful entry into a structure to commit a felony or theft." Theft from a building to which a person has legal access (a public building during open hours or a residence hall by one of the residents of the building) is considered Larceny-theft and is not reportable here.

Motor Vehicle Theft - "The theft or attempted theft of a motor vehicle." This does not include theft of parts or accessories from a vehicle.

Arson - Willful or malicious burning of or attempts to burn structures, vehicles, or other property, with or without intent to defraud.

Domestic violence - A "felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim,
- A person with whom the victim shares a child in common,
- A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
- -A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies [under VAWA], or
- -any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction."

Dating violence - Violence committed by a person:

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship shall be determined based on a consideration of the following factors:

Stalking - Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for his or her safety or the safety of others; or
- suffer substantial emotional distress

Hate Crimes - Crimes that manifest evidence the victim was intentionally selected because of the victim's actual or perceived race, gender, gender identity, religion, sexual orientation, ethnicity, national origin or disability as prescribed by the Hate Crimes Statistics Act and Campus Security Act.

- **Larceny** - The unlawful taking, carrying leading or riding away of property from the possession or constructive possession of another.
- **Simple Assault** - An unlawful physical attack by one person upon another where neither offender displays a weapon, or the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.
- **Intimidation** - To unlawfully place another person in reasonable fear bodily harm through the use of threatening words and/ or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

HIGHER EDUCATION OPPORTUNITY ACT

CAMPUS FIRE SAFETY ANNUAL COMPLIANCE REPORT

Overview

The Higher Education Opportunity Act (Public Law 110-315) became law in August 2008. It requires all United States academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire-related on-campus statistics. The following public disclosure report details all information required by this law as it relates to Charleston Southern University.

General Statement of Charleston Southern University Residence Halls

At CSU, all residence halls (Russell East, Russell West, Women's North, Women's South, and Quads) are equipped with individual room smoke detectors and smoke/heat detectors are in common areas.

Fire Prevention/Safety

Every residence hall room is equipped with a smoke detector. Procedures for fire alarms/drills are listed on the back of each door. Students are expected to be familiar with and follow these procedures in case an alarm should sound. The following regulations are in accordance with recommendations from the State Fire Marshall:

- CSU policy prohibits smoking on-campus.
- No cooking, except by approved methods, is allowed in the residence halls (see cooking)
- Ironing is permitted only on an ironing board
- All exits must be cleared of obstructions at all times
- Only flame proof curtains and drapes are permitted in the residence hall rooms
- Hanging items from a light fixture is not allowed
- No burning of incense or candles is permitted

A fire safety inspection is conducted annually to ensure residents are abiding by all fire safety regulations. Residence Life staff training on fire safety is annually by the Director of Residence Life.

Fire Safety Improvements and Upgrades

CSU Campus Security, in cooperation with the Physical Plant personnel, annually reviews the fire systems in our residence halls and will make upgrades, repair or revisions when problems are identified.

Fire/Life Safety Inspections

Annually, a fire marshal conducts an inspection of all building on campus Physical Plant personnel inspect fire extinguishers monthly. Residence Life staff conduct random health and wellness inspections that include fire code violations. Should a violation be found, you will

receive a letter indication what the violation was, and you will be expected to meet immediate compliance. If the violations have not been corrected after an unannounced re-inspection, you and or your roommates will be fined and will be subject to disciplinary action.

Smoking Policy

Charleston Southern University is a tobacco free campus.

Reporting a Fire

Students reporting a fire should contact Campus Security or 911. If the fire event is no longer a danger, they should contact the RA or RLC to report the incident to Campus Security.
